- Pull all the way up to the vehicle in front of you.

- Parents, have a conversation with your children about making sure they listen for their names and line numbers for afternoon car line dismissal.
- If your child is in a car seat or booster seat, place that seat in the backseat, passenger side. This is the safest way to get your child into or out of the car.
- Parents should not exit their vehicle at any time. If needed, someone will help get your child into or out of your vehicle safely.
- Please instruct your children how to buckle themselves into the car, car seat or booster seat.
- Please do not stop the staff on duty to speak with them. Please e-mail or call the school.
- If you are the last vehicle at the first turn during afternoon dismissal, please form a second line. This will prevent car line or bus traffic from forming on Hwy 190.
- Please instruct your children to have all of their belongings ready to hop out of or into the car.
- Car line begins at 8:25. You may not drop children off until that time.
- Car line ends at 4:15. Make sure you are here on time.
