Welcome to the 5th Grade to 6th Grade Transition

Starring....you!
You are now the LEADERS of the school

- As 6th graders, all of your younger peers will be looking to you as role models. We know this is a great responsibility, but your teachers know you will do a wonderful job. Always follow school wide expectations.
Our 6th graders have 5 teachers! Each class period is 1 hour long. Students will go to a “pull out class” and Study Island every day, too!

There will be greater demands for independence in terms of work habits and ORGANIZATION!
Agendas:
When you pay your student fees at the beginning of the year, you will receive a Mayfield agenda. We rely on the agenda EVERY SINGLE DAY! Organization is key!
Extracurricular Activities

Intramural sports are offered for 5th and 6th grade students. These may include: volleyball, basketball, flag football, and track.
Classroom Expectations

In ALL 6th grade classrooms, we always LEARN:

1. Be prepared.
2. Be cooperative.
3. Be honest.
4. Be respectful.
Privileges are EARNED

- In 6th grade, students must **earn** their privileges by meeting classroom expectations.
- Privileges include: field trips, dances, Chillin’ on the Green, Silly Superlatives Awards, Behavior Bash, and much more!
Consequences -
may include the following, but are not limited to:

- Recess reflections/Phone call home
- Loss of Chillin’ on the Green
- Behavior Slips (Short Form)
- Behavior Report (Long Form)
JPAMS

• Get connected!

• Juggling five classes can be difficult! Monitoring grades online is the easy part! Contact the office if you don’t have your log-in information.
On Welcome night, we will discuss/provide information about school activities/clubs and the faculty expectations revolving around homework as well as academic and behavioral expectations.
We look forward to teaching your children next year!
