

St. Tammany Parish School Board
Covington, LA

Title I
Parent/Family Engagement Plan
2017-2018 School Year

Mayfield Elementary
School

Date 3/29/2017

All Title I funds are to be used to support school goals and objectives as addressed in its *School Improvement Plan*. **Title I activities must have an instructional component FOR PARENTS/FAMILIES.** Incentive activities (i.e. Honor Roll Breakfast) are **not** to be considered as one of the six (6) required activities and **cannot** be paid for with Title I funds.

SIP Page(s) listing the activities below: pp. 7-8

Parent/Family Engagement Activity

Planned Date of Event

Pre K/Kindergarten/1st Grade: Welcome Night

August 8, 2017

What will you teach parents/families to improve their student's academic performance?

Parents will be informed about the policies and procedures here at Mayfield, learn about their child's curriculum, and will be informed about the best ways to communicate with their child's teacher. In addition, specific classroom policies and other topics will be discussed, which will increase the likelihood of their child's success in school. Lastly, parents will review the 2016-2017 program evaluation and learn about the Title I programs offered at Mayfield for the 2017-2018 school year.

6th Grade Welcome Night

August 14, 2017

What will you teach parents/families to improve their student's academic performance?

Parents will be informed about the policies and procedures here at Mayfield, learn about their child's curriculum, and will be informed about the best ways to communicate with their child's teacher. In addition, specific classroom policies and other topics will be discussed, which will increase the likelihood of their child's success in school. Handwriting: How to Help

September 21, 2017

What will you teach parents/families to improve their student's academic performance?

Pre-K and kindergarten parents will learn about ways to help their child with writing across the curriculum. We will spotlight for parents of lower elementary ways to develop thinking and planning skills for communicating ideas and the fine motor skills involved in the writing process for the early developmental years.

Focus on the Future: Test Prep

February 22, 2018

What will you teach parents/families to improve their student's academic performance?

Third through sixth grade parents will learn about the rigor and expectations for the upcoming standardized testing in the spring. Parents will acquire reading and math skills to use with children at home to better prepare them for testing and excel in the classroom.

Transitioning to First Grade

May 17, 2018

What will you teach parents/families to improve their student's academic performance?

Parents of kindergarten students transitioning to first grade will learn about activities to use to help students retain skills in reading and math over the summer. Parents will also learn about community summer programs to keep students reading and expectations for entering first grade in August.

Transitioning to 5th/6th Grade

May 17, 2018

What will you teach parents/families to improve their student's academic performance?

Parents of fourth and fifth grade students transitioning to 5th or 6th grade will learn about activities to use to help students retain skills in reading and math over the summer. Parents will also learn about community summer programs to keep students reading and expectations for entering fifth or sixth grade in August.

Transitioning to Junior High

May 22, 2018

What will you teach parents/families to improve their student's academic performance?

Parents of 6th grade students transitioning to Junior High will learn about activities to use to help students retain skills in reading and math over the summer. Parents will also learn about community summer programs to keep students reading and expectations for entering fifth or sixth grade in August.

Keep announcements, agendas, and sign-in sheets for meetings in the Parent/Family Engagement folders in the Title I File Box with this record. (Folders 11-16)
